

## SECTION 1 - PROJECTIONS, STANDARDS & ABBREVIATIONS

### Architectural conventions

Architects and drafters use a number of simplified representations of features found in buildings when they produce the plans builders need. These representations are called **conventions**.

FEATURE	CONVENTION	FEATURE	CONVENTION
WINDOW Right Side Hinged		SINGLE DOOR Left Swinging 90	
WINDOW Left Side Hinged		SINGLE DOOR Right Swinging 90	
WINDOW Top Hinged		SINGLE DOOR 180 Swinging	
WINDOW Bottom Hinged		SINGLE DOOR Double Acting	
WINDOW Horizontal Sliding With Fixed Sash		PAIR OF DOORS Double Acting	
WINDOW Vertical Sliding		IN & OUT DOORS With Mullion	
WINDOW Side Pivots		IN & OUT DOORS Without Mullion	
WINDOW Top & Bottom Pivots		SLIDING DOOR Into Cavity	
WINDOW Plan View		SLIDING DOOR On Face of Wall
